

Chairman's Awards 2014

Michael Aboud, Chairman and CEO of Amalgamated Security Services Limited (ASSL) hosted his yearly Christmas Luncheon & Lime on the 18th of December 2014 at the height of the season. More than 100 managers, junior to executive level, followed his invitation and indulged in local delicacies, gift exchange and entertainment. True to Christmas, the spirit was cheerful and amicable. In his speech, ASSL's Chairman made this an expressive point: "We are setting the tone for 2015 here – teamwork for continued success!"

Mr. Aboud then moved on to the function's distinctive highlight – the giving out of the Chairman's Special Awards 2014. "Our company has a well deserved reputation for professionalism, reliability, and service quality. Every single employee contributes to this achievement on a daily basis. However, each year there are a few employees that go beyond and above, walk the extra mile without hesitation, and make outstanding contributions to our continued growth through their expertise and unwavering dedication. By awarding those exemplars today, I would like to express my appreciation and gratitude for their accomplishments."
